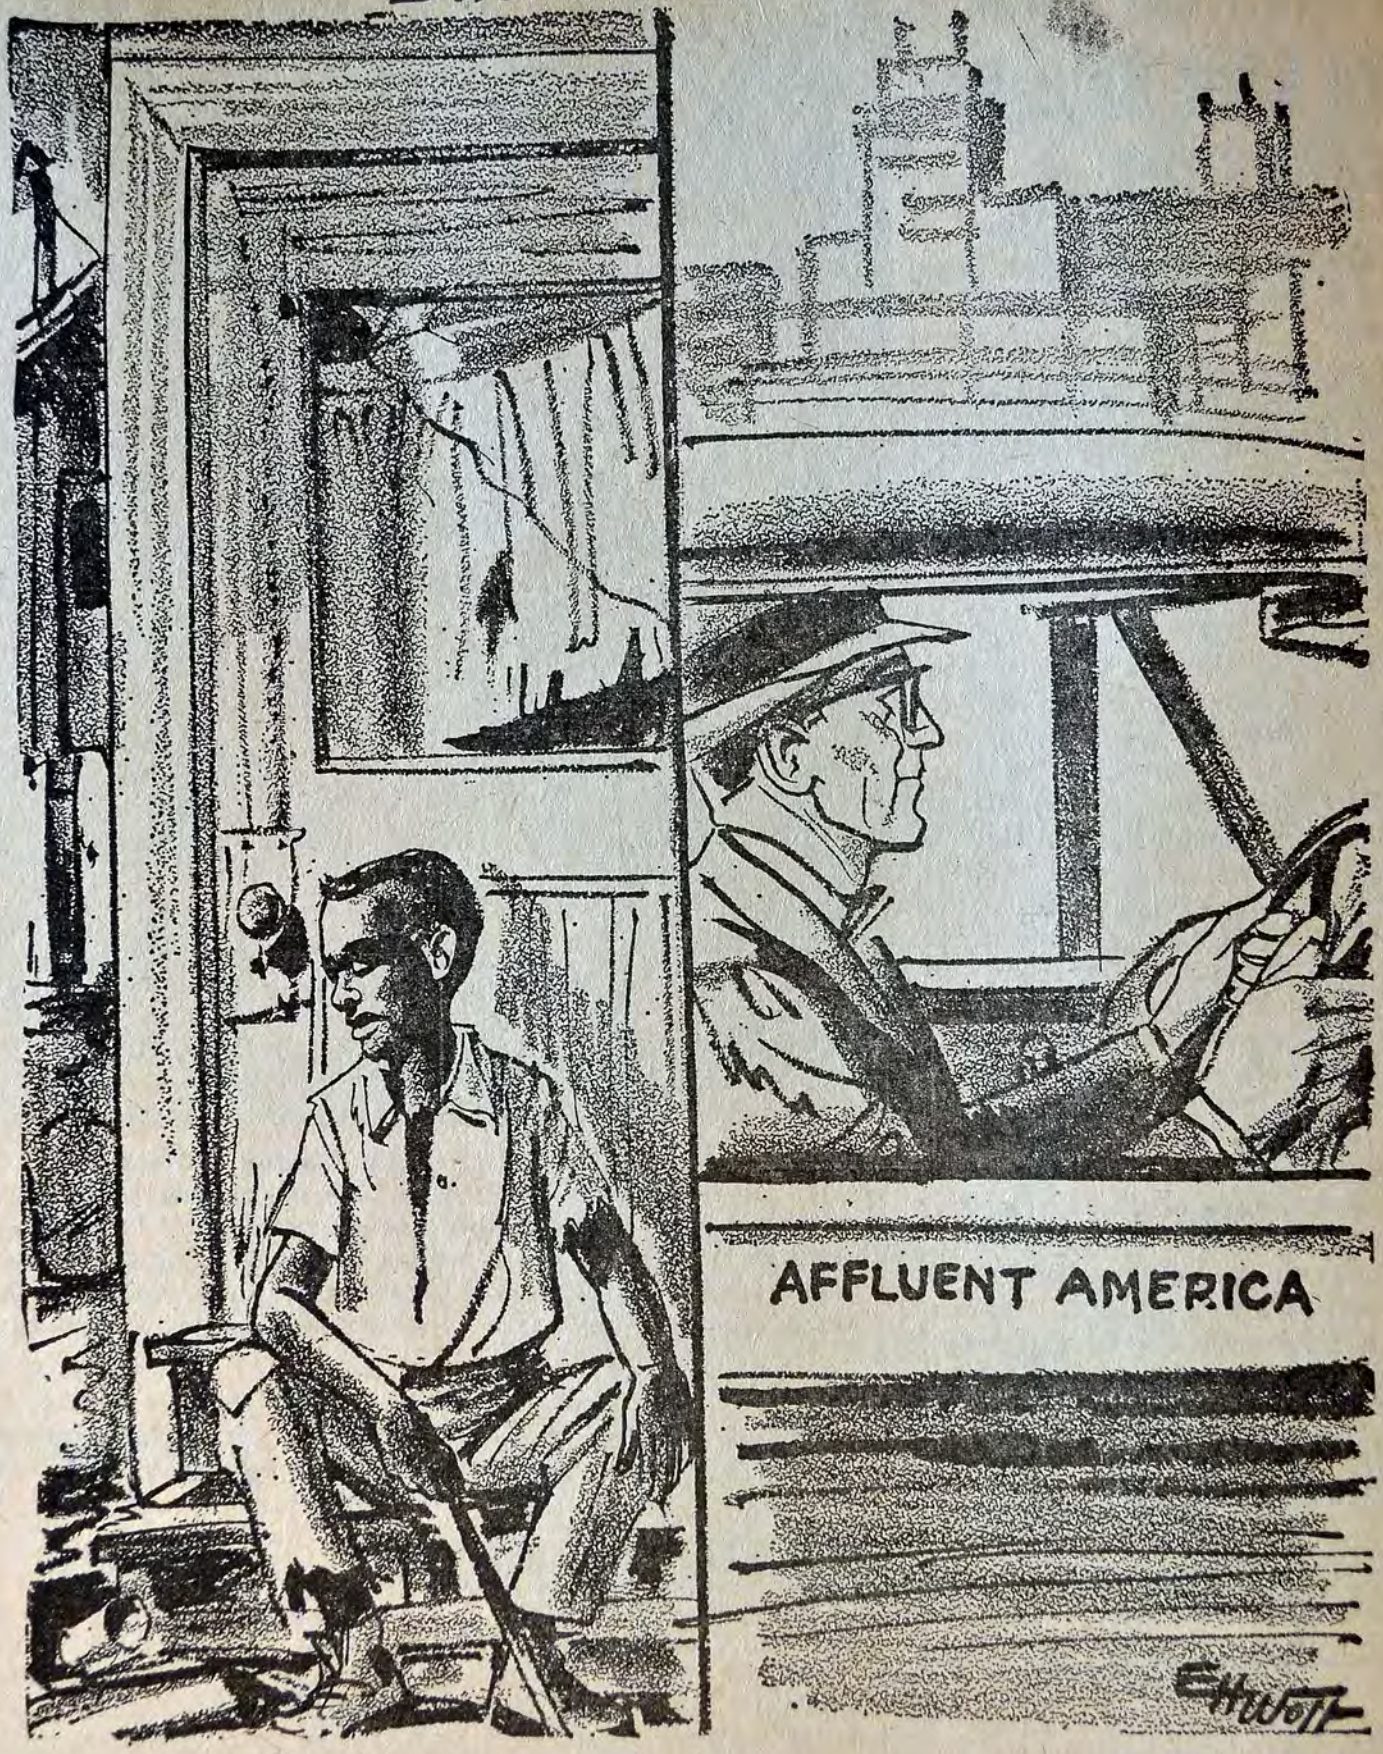
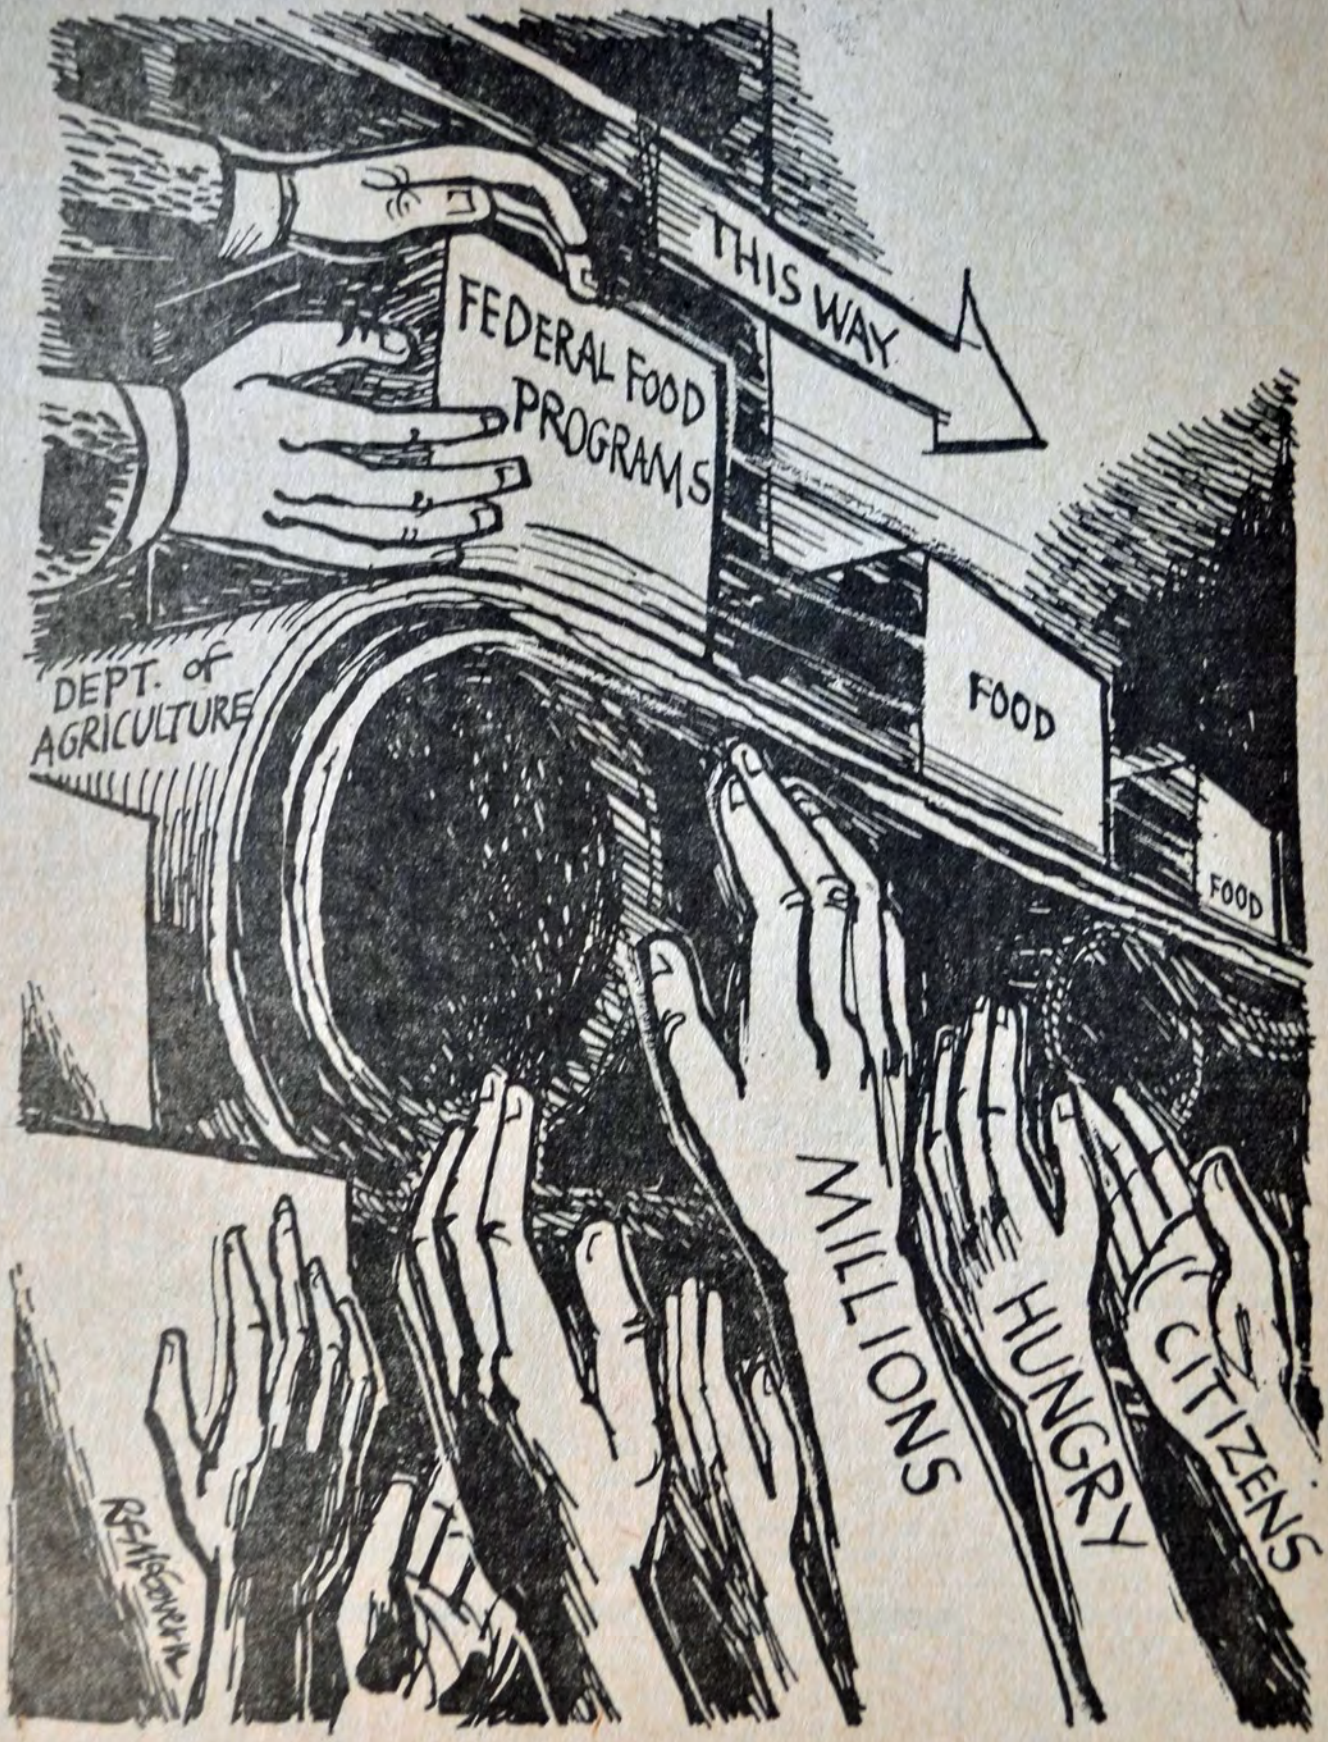
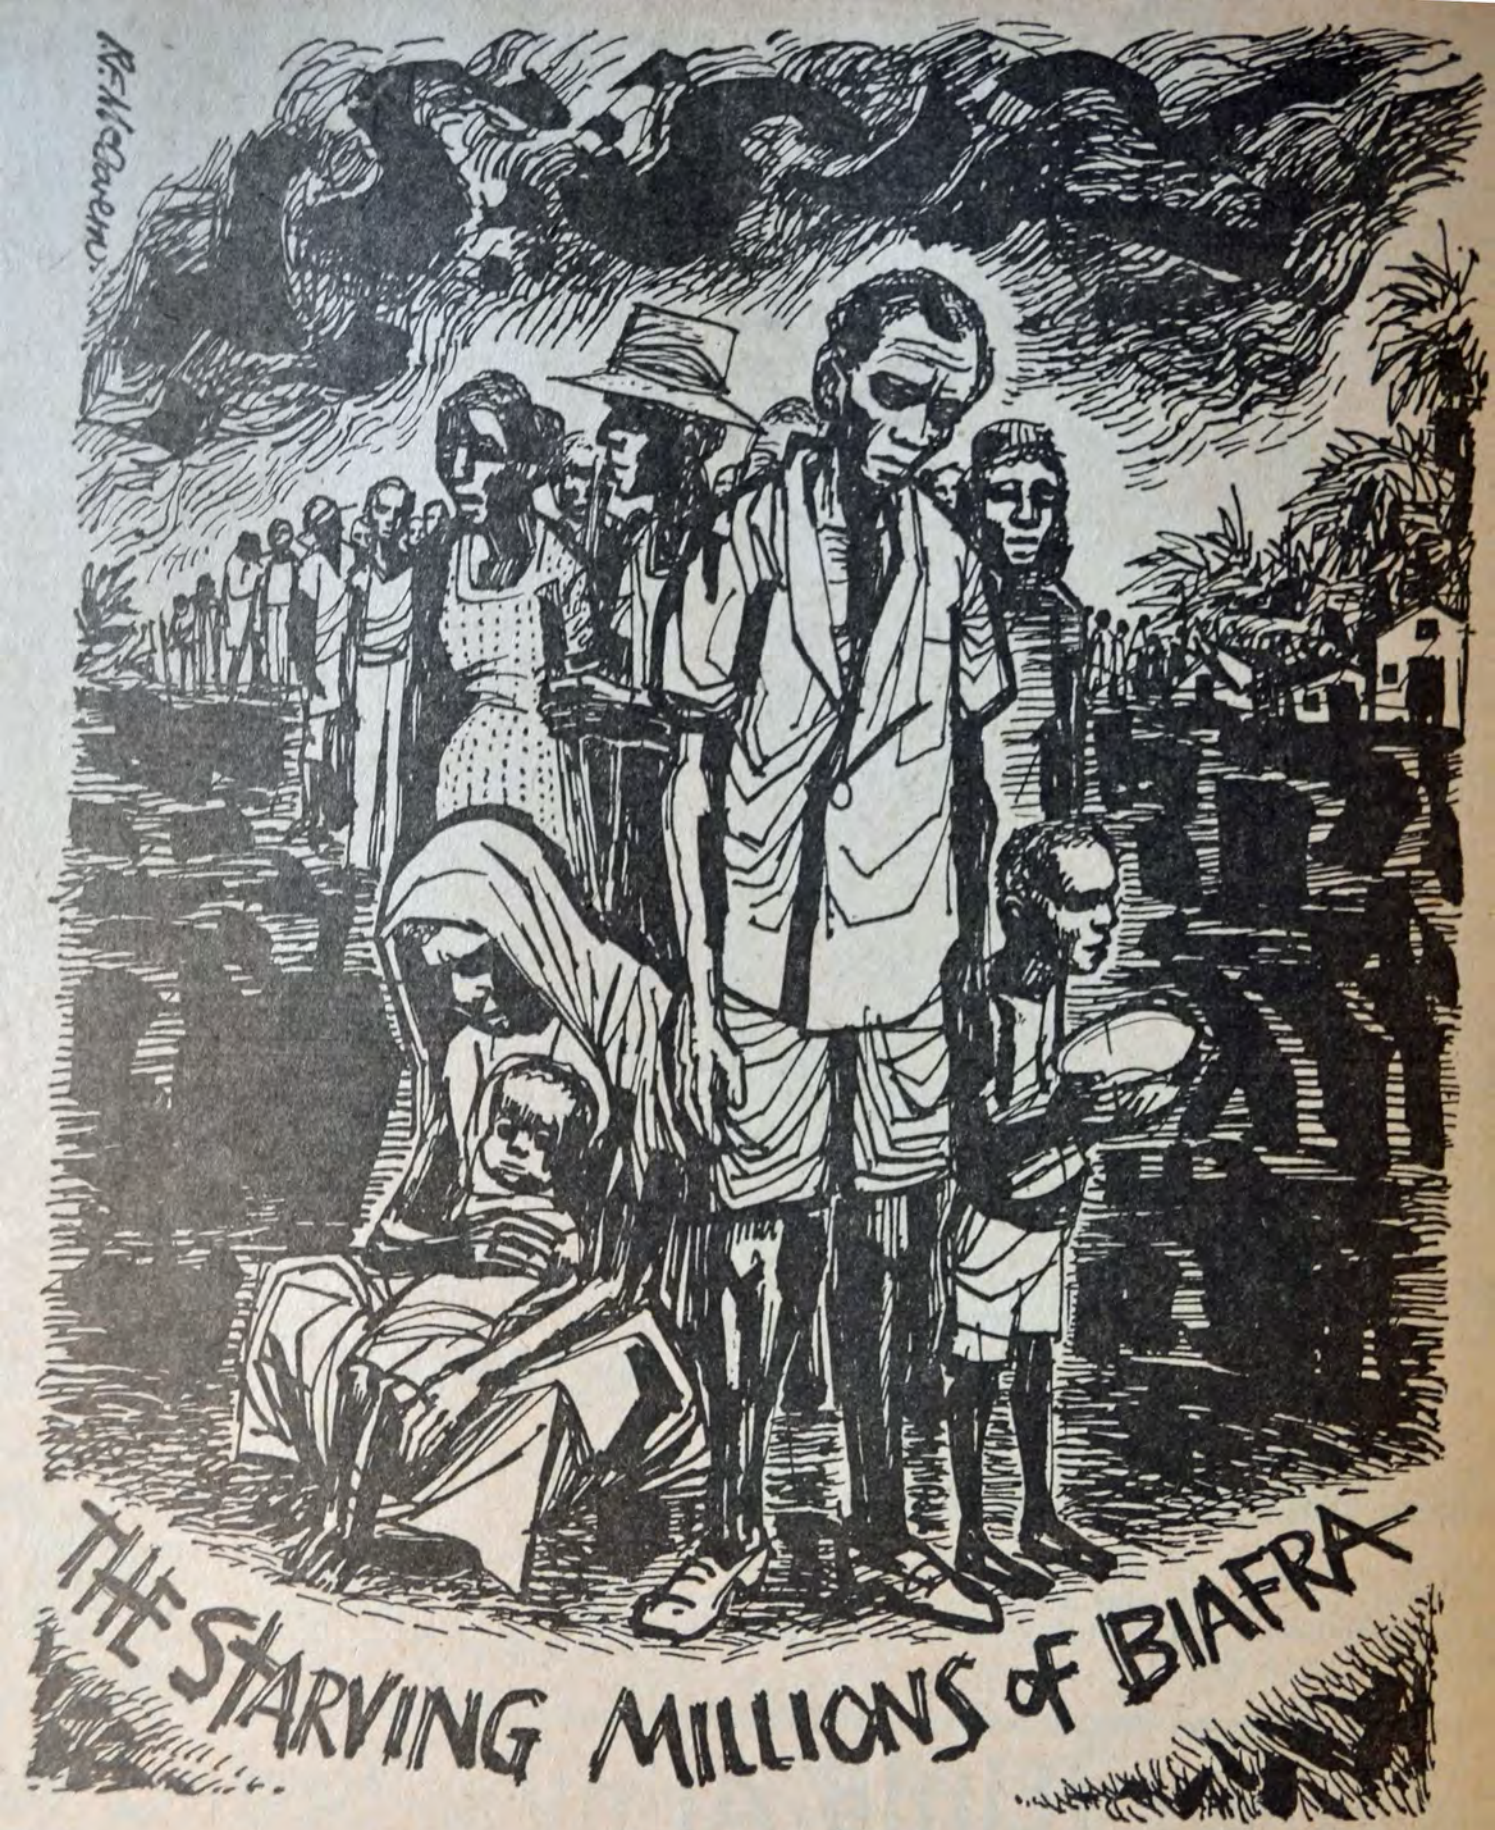
Dives and Lazarus?



Put some things down, take some things up...'



'Near . . . but too far!'



Forgotten?

'... You must not confuse industrial labor problems with agricultural labor problems ...'

Waiting for the crumbs to fall...

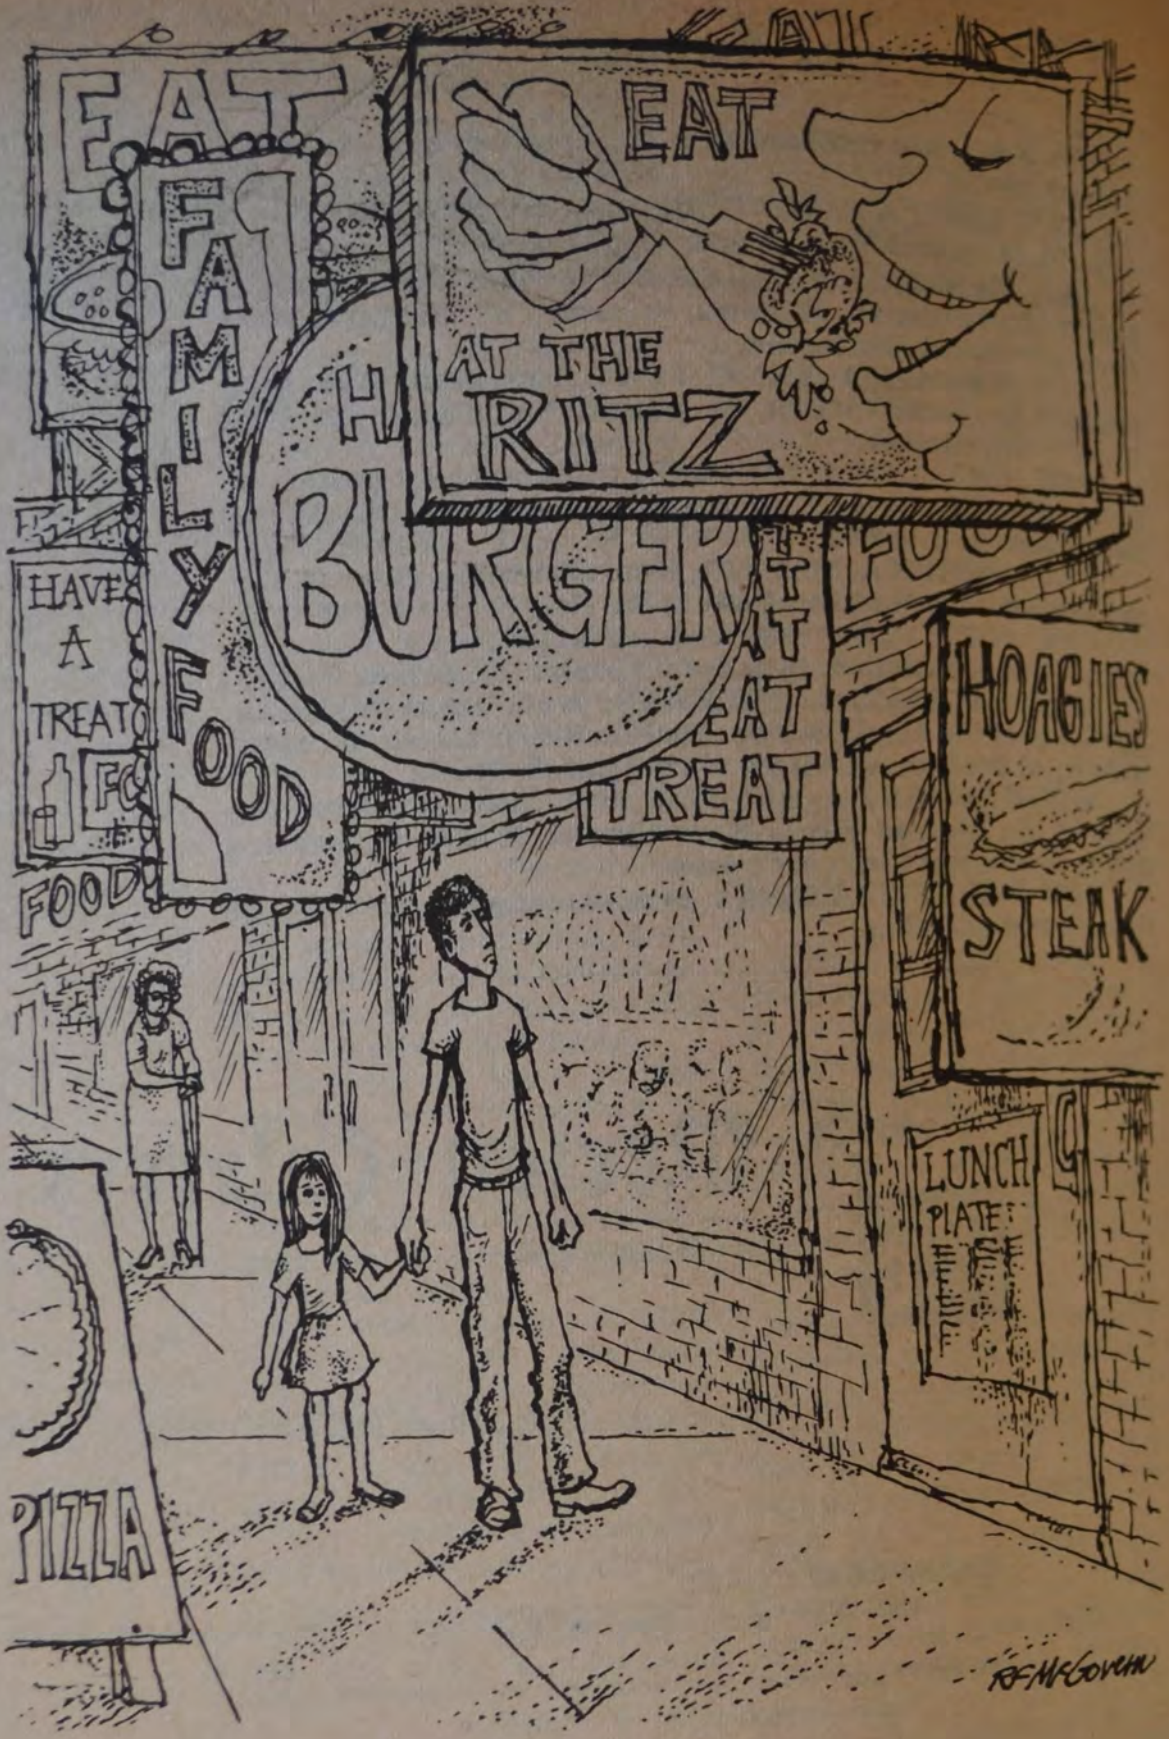
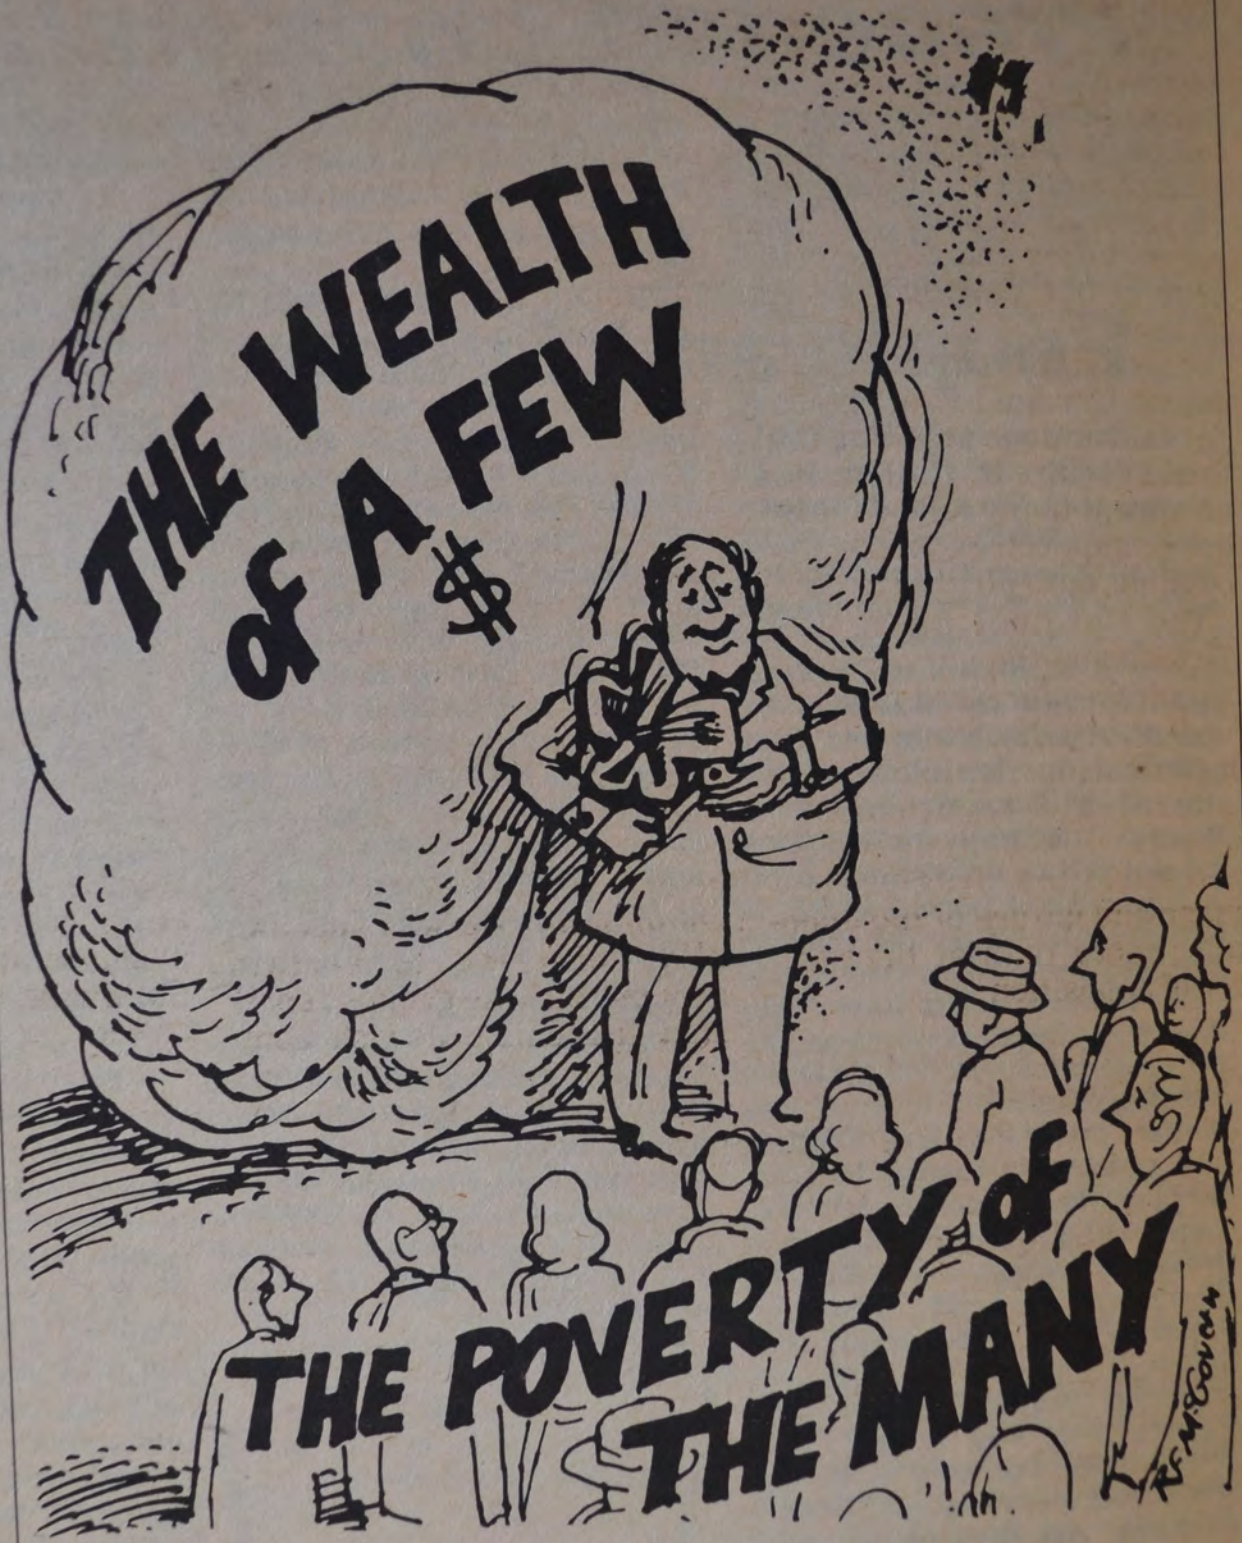
"Just Think, Dear! The government will spend billions on anti-ballistics missiles just to protect us!"



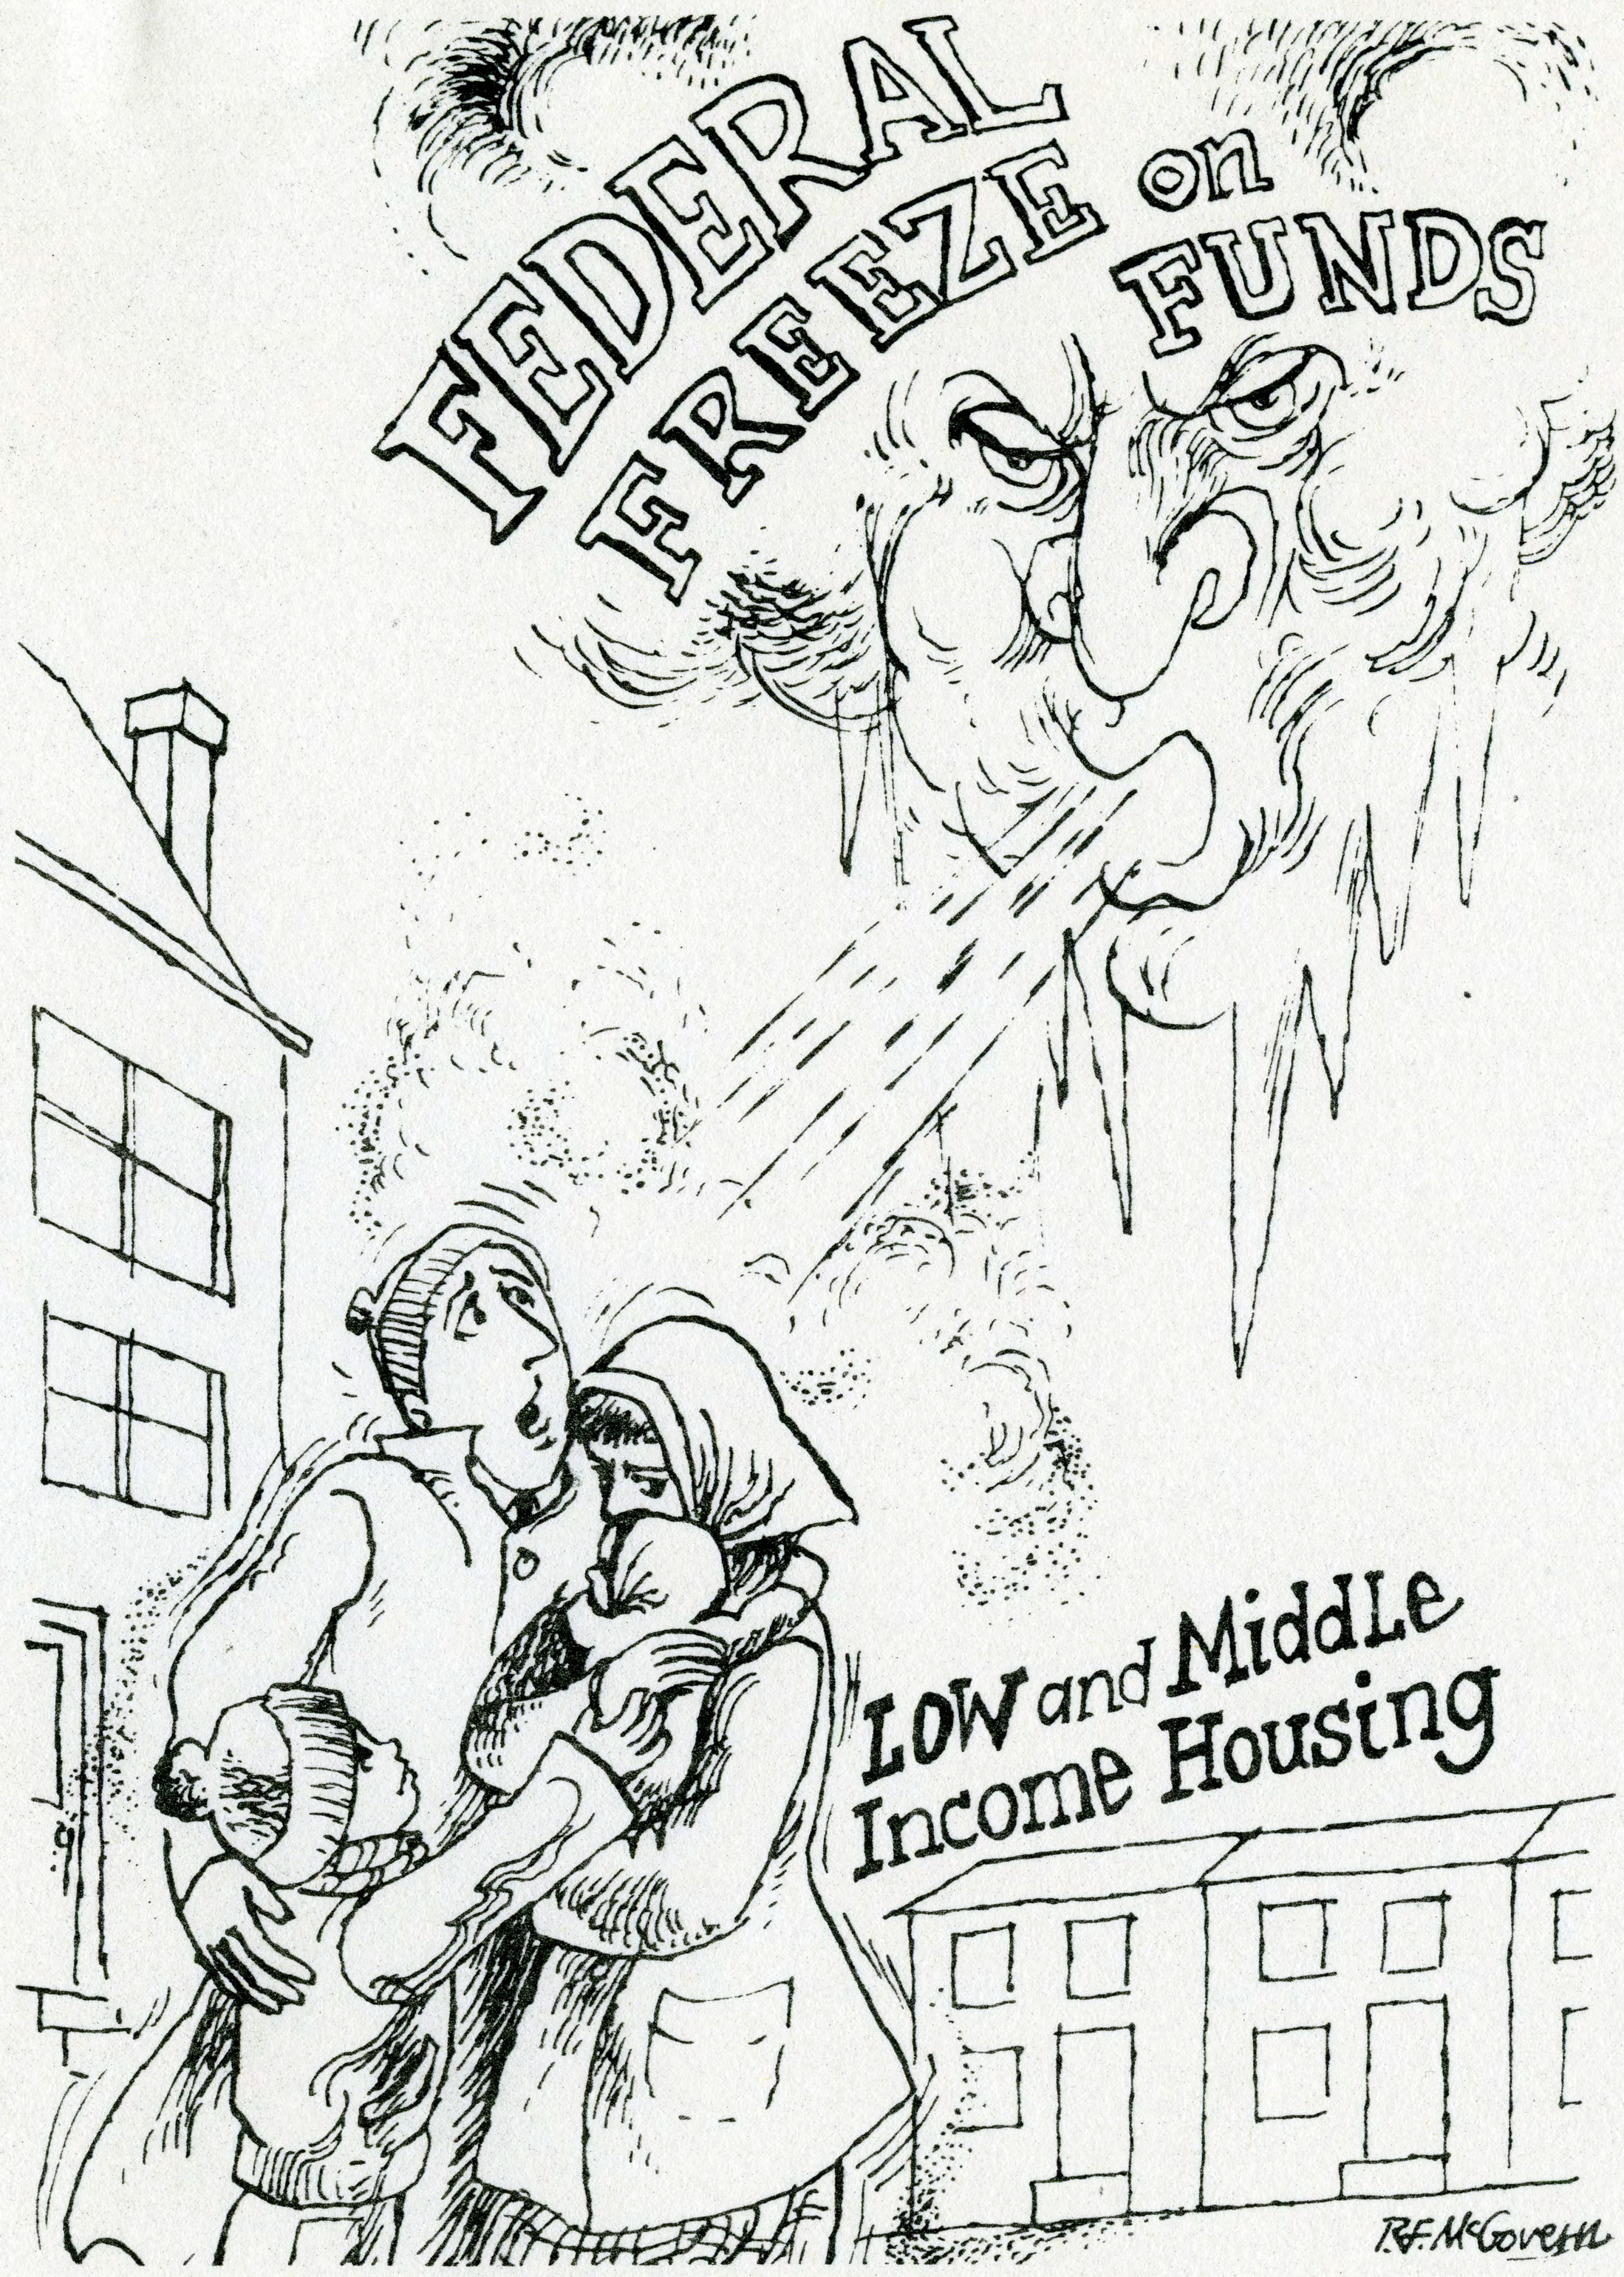
'Obscenity to the hungry'

"Who will put out the fire?"



"Is There A Moral Responsibility?"

"On thin ice."



'Thanks, we really needed that.'
