

# IVAN THE TERRIBLE

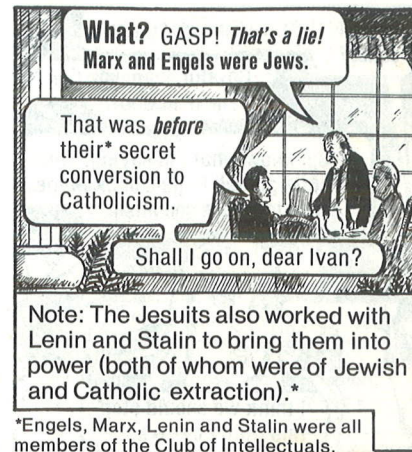

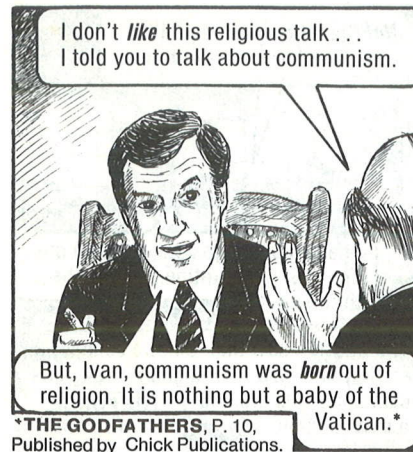

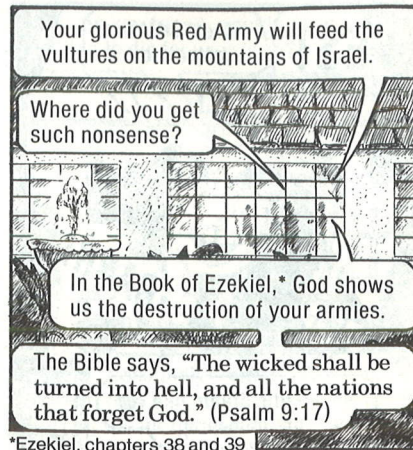

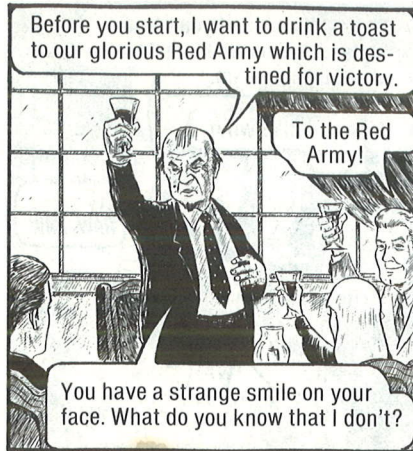

By J.T.C.

My deepest appreciation to Dr. Alberto Rivera for the information used in this book.

My God . . . Do you know what you are saying?

Careful, Ivan, you don't believe in God.

Yes, I know what I'm saying. The Jesuits guided Engels back in the 1800's to create socialism.

I think we should stop this right now, Ivan.

**No!** Start from the beginning. I've never heard such a thing.

Then we must go back to when the Emperor Constantine became the first pope.\*

The Caesars saw their empire collapsing, so they changed their togas for religious costumes, and created a new religion.

**\*THE FORCE,**  
P. 20, Published by  
Chick Publications.

The true church of Jesus Christ was already underground by the time Catholicism came into power.

The "new" religion came out of ancient Babylon using the same old gods, but with new names.

**\*\* Both the bishops in Rome and the bishops in Constantinople claimed to be the true inheritors of apostolic succession. They split into two groups: the Orthodox Catholics in Constantinople and the Roman Catholics in Rome.**

**\*50 YEARS IN THE "CHURCH" OF ROME,** by Chiniquy, P. 51, unabridged edition, Published by Chick Publications.

Jupiter\* became the apostle Peter, and Venus\* became the Virgin Mary.

Eventually Constantine moved to Turkey to set up Constantinople.

After Contantine's death, both sides wanted to run the show.\*\*

It was a power play. Who would control the religious world?

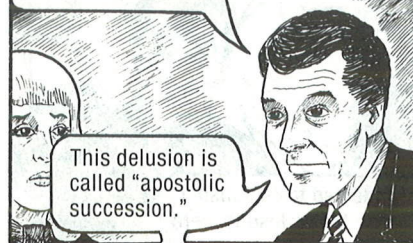

The Orthodox claim that they were the true successors of Peter and Constantine. Because of this, the pope cursed them with an anathema which will be in effect until the Orthodox Church accepts the Roman Papacy as the only successors of Peter.

In 1204,\* Pope Innocent III sent troops to Constantinople to "kill two birds with one stone." His troops killed the Moslems, making the Orthodox think they were being saved, then turned and wiped out Orthodox Constantinople.

\*THE FOURTH CRUSADE, Encylopedia Britannica, Micropedia, Vol. 5, pp 305-306.

Both groups claim they have the unbroken line from the Apostle Peter to their leaders of today (the pope and the patriarch).

This delusion is called "apostolic succession."

You must understand that the Orthodox and Roman Catholics are basically the same.

But Rome wants to control the governments of the world . . . while the Orthodox are willing to co-exist with the state.

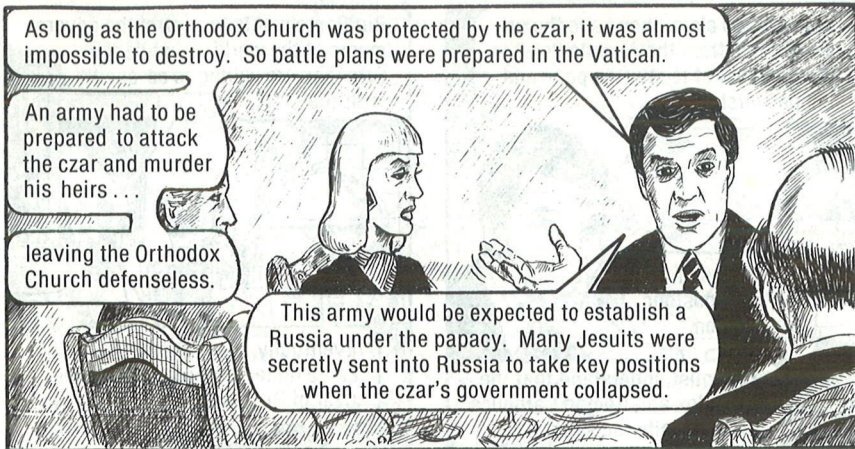

Eventually, the Orthodox "church" came under the protection of the Czar of Russia. It grew in numbers and power.

As long as the Orthodox Church was protected by the czar, it was almost impossible to destroy. So battle plans were prepared in the Vatican.

An army had to be prepared to attack the czar and murder his heirs . . .

leaving the Orthodox Church defenseless.

This army would be expected to establish a Russia under the papacy. Many Jesuits were secretly sent into Russia to take key positions when the czar's government collapsed.

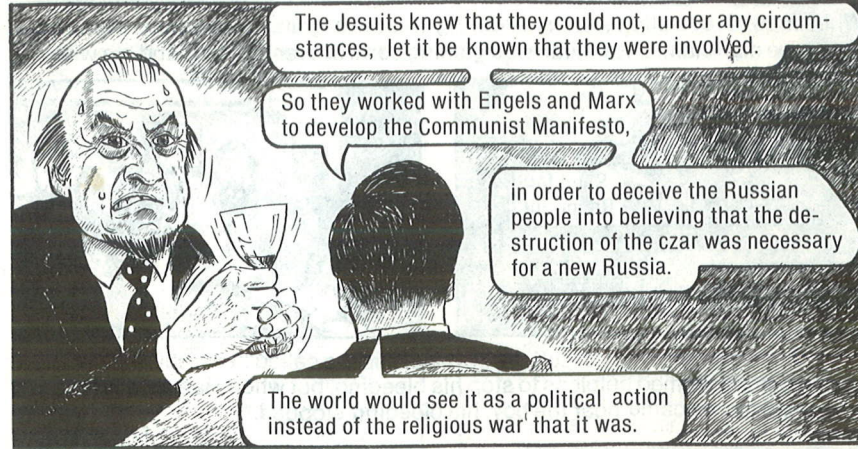

The Jesuits knew that they could not, under any circumstances, let it be known that they were involved.

So they worked with Engels and Marx to develop the Communist Manifesto,

in order to deceive the Russian people into believing that the destruction of the czar was necessary for a new Russia.

The world would see it as a political action instead of the religious war that it was.

While fires of revolution were smoldering, ready to ignite in the palace of the czar, a strange man named Rasputin was gaining control over the czar and his wife.

Their only son, Alexis, suffered from a disease called hemophilia. The doctors seemed helpless to stop his bleeding, but when Rasputin (the mad monk) came near the boy, his bleeding stopped.\*

\*Matt. 7:21-23

The czar trusted Rasputin's advice, which led to his downfall. (No one suspected that the magical powers Rasputin used ...

were the Spiritual Exercises of Loyola. Rasputin was a faithful Jesuit working undercover.)

The czar's wife told Rasputin many secrets, including where the czar had hidden his gold.

Rasputin was a triple agent, playing all sides. Before he was assassinated for knowing too much, Rasputin passed the czar's secrets on to the patriarch in order to gain his trust.

Lenin and other key revolutionaries were placed in the famous sealed train\* and moved through Germany along with the pope's gold to pull down the Russian government.

In July, 1918, the czar and his family were under arrest in Yekaterinburg in the Urals...

Part of the White Russian Army was on its way to save the czar ... A quick trial was held by Ural Soviets (some of whom were undercover Jesuits\*) who found the royal family guilty.

**\*THE GODFATHERS, P. 13, By Chick Publications.**

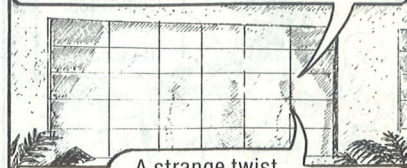

The protector of the Orthodox Church and his family was blasted into eternity. Everything was right on schedule.

The executioners\* moved so fast that the central communist party wasn't even aware of the trial or killings until it was all over.

**\* THE GODFATHERS, p. 14, by Chick Publications.**

Orthodox priests, nuns and monks were being hunted down and executed.\* The Soviets attacked the monasteries and convents, and the killings began.

A strange twist of fate saved the Russian church. The old patriarch had an ace up his sleeve.

\*This was started by Pope Benedict XV (1914-1922) and finished by Pius XI and Pius XII.  
See **THE POPES**, pg. 444, published by  
Hawthorne Books, Inc. 1964.

When the Red Army came to kill the old chief patriarch, he greeted them with open arms and cried,

Comrades,  
at last you  
have come!

We've been waiting for you! We've  
been holding the czar's gold for you,  
my true comrades.

When Lenin arrived in Moscow crowds of Orthodox civilians and soldiers greeted him with banners and icons (religious pictures) of the Virgin Mary.

They proclaimed Lenin to be the man the Virgin Mary had sent to be their deliverer. This was engineered by the patriarch to show Lenin that the religious force was willing to support communism.

The killings of the Russian Orthodox stopped. The Orthodox Church was saved.

The communists got the czar's gold, and also kept the pope's gold, which amounted to 666 million dollars.\*

The Vatican wanted the world to believe that communism was created by the Jews. They pointed to the "Protocols of Zion"\*\* as the source of all this conspiracy (actually created by the Jesuits.)

The pope was double-crossed, and when he found out, he almost had a heart attack.

He had been betrayed by his own communists. To get even, they built a new machine called the Nazi party.

My God,  
things are  
coming into  
focus.

The pope and his Jesuits launched their Catholic Nazi crusade against Russia. His hero, Adolph Hitler, failed him. They lost the war and . . .

after long and secret negotiations, the Vatican now *believes* that communism will win World War III, and Roman Catholicism will become the only recognized religion of the world.

She is *still* determined to make Russia Catholic.\* The Russian Orthodox Church has fallen to the Vatican through the ecumenical movement, and is no longer a threat.

\*Fatima

That's why the Vatican carefully chose a communist pope from Poland to win Russia. The Jesuits are preparing for many appearances of the "Virgin Mary."

You see, Ivan, the Vatican intends to sign concordats with the communist countries . . . and is secretly trying to disarm\* the U.S.

\*BISHOPS' LETTER ON WAR AND PEACE

The Vatican wants to use communism's muscle in the last great inquisition to conquer the world for the pope.

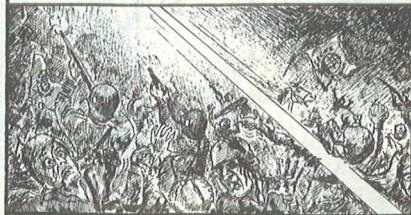

The Bible tells us the governments will hate the Vatican . . . when they discover her plans . . . and will destroy her.\*

The last pope (the antichrist) will flee to Jerusalem and the armies of the world will be sent to destroy this beast.

\*Rev. 17:16

Jesus will return and smash the armies at the battle of Armageddon . . . No one will touch the antichrist, because only Jesus will destroy him.\*

The antichrist (the beast) is found guilty of impersonating Christ and is cast alive into the Lake of Fire.\*\*

\*II Thess. 2:8

\*\* (Rev. 19:20)

But I've dedicated my whole life to the party. True peace and justice only come through world communism.

You're wrong, Ivan. You've been betrayed. True communism is only a dream. It will *never* bring peace, only destruction.

The perfect welfare of men will only come through Jesus Christ when He returns to establish His kingdom on earth.

Ivan, you can make a decision now, either to be a part of Christ's kingdom ...

or be found an enemy\* of Christ and the people of His kingdom ... destined to join the antichrist in the Lake of Fire.

## THE BIBLE SAYS THERE'S ONLY ONE WAY TO HEAVEN.

Jesus said, "I am the way, the truth, and the life: no man cometh unto the Father, but by me." (John 14:6)

### **NOBODY ELSE CAN HELP YOU.**

"For there is one God, and one mediator between God and men, the man Christ Jesus." (I Timothy 2:5)

"For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: not of works, lest any man should boast." (Ephesians 2:8-9)

### **WHAT YOU MUST DO:**

#### **PRAY TO GOD IN YOUR OWN WORDS:**

1. **ADMIT** you are a sinner, and that only the Lord Jesus can save you. (Romans 3:23)
2. **REPENT:** be willing to turn away from sin and submit to God. (See Luke 13:5)

3. **BELIEVE** that the Lord Jesus Christ died on the cross and shed his blood to pay the price for your sins, and that he arose again. (See Romans 10:9)

4. **ASK** God to save you. (See Romans 10:13)

5. **ASK** Jesus Christ to be the Lord (take control) of your life. (See Romans 12:1-2)

### **IF YOU REALLY MADE JESUS YOUR LORD (KING), THEN ACT LIKE IT!**

1. Read your Bible every day to get to know Christ better.
2. Talk to God in prayer every day.
3. Find a church where the Bible is taught as the complete Word of God and is the final authority.
4. Obey Christ's command and be baptized. (See Matthew 28:19)
